Dominant Day for DBQ and Cornerstone at Great Lakes Regional Tournament

A big thank you to everyone from DBQ and Cornerstone EPC for the work that went into hosting the Great Lakes Regional Tournament.

Although numbers were down this year, it was still an awesome tournament.

One quizzer was heard to say that it was more fun than going to Cedar Point.

See the insert for full coverage.

Tidbits

Honorable Mention. Three frozen chairs without error in a day of quizzing equals 210 points. When quizzers get that many points or more and yet don't make Quizzer of the Month, they deserve some recognition. In December, the following quizzers met that criterion:

Varsity	
Ade Davis	230
David Hubbard	220
JV	
Sarah Hoffman	220
Little League	
Dayo Davis	210
Nathan Etnyre	210

Congrats for some great quizzing.

Rookie Watch. In Varsity, **David Hubbard** continued to leap up in the standings—33rd in October, 18th in November and now 8th. In JV, **Genevieve Sponseller** had 200 points in December and jumped to 4th overall, leading all JV rookies. In Little League, **Nathan Etnyre** was the December standout with his 210 points.

Tournament Watch. The inaugural All-Timers Tournament will be held January 17, 2009 at nearby Concordia University in Ann Arbor. This free Tournament will be Youth for Christ style, featuring the possibility to win by position after question 5. JV on up to the oldest adults will quiz on Luke 6-9 in one division. There will be a separate Little League division quizzing on Luke 2, 4, 6, 15, 23:1-25. Register by January 3 with Jessica Schatz at: beyondsight169@wowway.com.

STEERING COMMITTEE

The DBQ Steering Committee will be meeting at 7:00 P.M. on January 19, 2009 (at Highland Park Baptist or by phone conference). Participating churches are welcome to send a representative.

Varsity Quiz Highlights

HH Blind & Lamé-120, OC Someone Might Argue-100, HC Together Again-20

With **Christian Pederson** and **Josh Kauzlaurich** freezing their chair for both their teams, and with strong support from **David Galura** (the man knows his finishes this month!) for Huron Hills, and **Ashley Winningham** (the girl knows her situations!) for Orchards, it all came down to the last, overtime question ... and it ended with a contest.

OC Someone Might Argue

♥ **Your God-130, CP Get Up-120, CM Lightning from Heaven-0**

Brittany Matthews saved her one jump for the last question of the quiz and used it well. She quoted a FTV to capture a team bonus and an exciting come-from-behind victory for her team. The reason it was so exciting was because Heart's **Clay Stanton** scored 80 points and Cornerstone's **Nailah Davis** froze her chair without error in addition to **Vicki Schatz** and **Julie Paga's** correct answers to give them the team bonus as well. **Shannon Gibson** set up the exciting finish with a key correct question on 14 for Heart.

CP Fully Armed-140, CP Yo No Se Nada-30, OC Someone Might Argue-20

The combination of frozen chairs for Fully Armed **Ade Davis** and **Leah Jarvie** was more than enough for a victory in this quiz. **Tim Hoffman** scored enough to hold down second place for Yo No Se Nada, though Orchard's **Josh Kauzlaurich** made it interesting with a late correct answer.

FC Save Yourself

CP Get Up-70, HC Together Again-40, FC Save Yourself-30

On question 15, the quiz was up for grabs at 60-50-40. **Rebecca Wilson** jumped on "Quote Luke chapter six verse thirty..." but guessed the wrong verse for Heritage. "Oooooohhhh" rang out in the room. The other two teams got set for the toss up. Fellowship's **Nina Darcie** got up on "What was com..." and came up with the word "completely" but couldn't finish it. The free question went to Cornerstone's **Julia Paga** for the victory. Great quiz!

♥ **Your God-140, FC Save Yourself-30, LW FROGG-10**

Brittany Matthews was clutch again for a team bonus with another question-15 FTV as Heart rolled to a big victory. The quiz was actually up in the air on question 13, but Heart took the last three questions for the win. **Clay Stanton** froze his chair without error by question 6 and didn't have another chance to jump, but his teammates **Shannon Gibson** and **Brittany** picked up where he left off. Ah yes ... teamwork. ☺

Junior Varsity Quiz Highlights

CP Quote This – 70; ♥ Don't Be Afraid – 90; CP Asks for a Fish– 60

This quiz pitted the top three teams against each other. Heart's **Kayla Kauzlarich** got started on question 1, froze her chair without error on question 6, and added a tossup on question 9 for 90 points. That ultimately held up for the win. Cornerstone Asks for a Fish spread the points out—20 points for **Jake Curtin** on question 3, then for **Zach Mayfield** on 7, and **Kara Lurvey** on 10—and that got them the team bonus for a total of 70. The rest of the points in this quiz were taken by Cornerstone Quote This. Rookie **Abby Foster** got a freebie on 12A, and **Sarah Hoffman** answered 13, 14 and 15A for a frozen chair and second place after Asks for a Fish erred on question 15 for a deduction.

CP Asks for a Fish

CP i-Witness – 20; HH Not Impossible – 110; ♥ Your Enemies – 90

The score was still 0-0-0 when Heart's rookie **Anna Hubbard** answered question 4 correctly. Huron Hills then got on track—rookie **Genevieve Sponseller** answered both 6 and 7 and froze without error on 11 while teammate **Hailey Trossen** added 20 on question 8. Heart fought its way back—**Molly Gibson** contributed 20 on question 10 followed by **Jessica Matthews** on 12 for a team bonus. After rookie **Jacob Bacheldor** put Cornerstone on the board, Jessica got another 20 points for Heart to tie Huron Hills. With just question 15 to go, the score was 20-90-90. Hailey came through for Huron Hills to win it.

HH Not Impossible

On the day, Huron Hills was the only JV team to win all three of its quizzes, but Heart kept pace by being the only team to get a team bonus in all three quizzes—31 olympic points for both teams. 🌟

Little League Quiz Highlights

CP Jumping for Joy – 40; CP You Will Laugh – 130; CP Fully Awake – 100

You Will Laugh's **Gabrielle Baut** took the first 20 points, but Fully Awake got the lead as **Dayo Davis** and rookie **Anna Foster** grabbed the next two questions. Gabrielle came right back for the tie, only to see Dayo take the lead again. Then rookie **Summer Baut** got in the action, tying it back up. With Jumping for Joy's **Omari Davis** contributing 40 points on his way to being Quizzer of the Month, the score after question 9 was 40-60-60.

Gabrielle then froze her chair without error and got a tossup for a 50-point You Will Laugh lead. Anna and Dayo fought their way back with a freebie and another frozen chair without error to get within 10 points. Going into the last question, the score was now 40-110-100.

Summer got the jump and the answer for the win. 🌟

DBQ Sweeps Great Lakes Regional Varsity Finals

The top three teams from the morning made it into the Finals, though Cornerstone went to the wire with a Berrien team charging hard all the way from eighth place before it secured the third spot.

Through question 17, Heart's **Clay Stanton** had an answer for every point (including a team bonus for three jumping) scored by Cornerstone's **Nailah Davis**, **Julia Paga** and **Vicky Schatz**. But at that point, having completed a quiz-out without error, he left the quiz. The score was 100 -30 90.

DBQ Heart Be Quiet

DBQ FC Save Yourself

Nailah took the lead back for Cornerstone with 20 more points on question 18. Would someone step up for Heart? A Fellowship error on question 19 set up a Heart-Cornerstone toss-up. On a "chapter verse" reference question, Heart rookie **David Hubbard** got the jump and the correct answer, moving Heart back into the lead going into the last question. That was the fifth lead change between the two teams.

Another Fellowship error on question 20 set up a Heart-Cornerstone toss-up to decide the championship. Vicky got the jump, answered the question and put her team back in the lead when it counted most—the very end. The win also gave Cornerstone its third division championship of the day—Little League, JV and now Varsity.

Huron Hills' John Williams concentrating on answering a question ... correctly.

DBQ Sweeps JV Finals As Well

Heart won two playoff quizzes to move from last place in the morning session to the third spot in the Finals.

The Angels scored first and second with the top two JV quizzers of the tournament—**Sarah Hoffman** and **Kara Lurvey**. The Shepherds responded quickly and tied the score with jumps from **Andrew Howell** and rookie **Andrew Bellanti**. Kara put the Angels back in the lead, but then **Jake Curtin** scored to give the Shepherds a team bonus and a 10-point lead. Sarah got another 20 points on question 13, and the Angels again had the lead. In the meantime, **Jessica Matthews** had put Heart on the Board with 20 points. The score was 80 70 20.

But, after all this scoring, something strange happened starting with question 14. There were 7 errors in a row on regular questions; the only points came on freebies. And so, starting question 19A, the score was 50 70 10. **Zach Mayfield**, who had substituted in for Jake, got the jump and the correct answer for a second team bonus for the Shepherds. That extended their lead from 20 to 50 points—insurmountable with just one question left.

DBQ Cornerstone Angels

DBQ Wins Little League Finals

Cornerstone built a *huge* lead in this quiz. **Gabrielle Baut** started it off on question 1, and **Dayo Davis** kept it going on questions 2 and 3. Rookie **Summer Baut** added a freebie on question 10 and Dayo completed a quiz-out without error on questions 11 and 12. The score was 20-0-120.

But then the Cincinnati team in the middle seats came to life and showed why it had been top team in the preliminaries. On four questions, 14, 15, 17 and 18, four different quizzers scored, resulting in two team bonuses and 100 points. And a substitute had been brought in to try for a third team bonus. The momentum clearly belonged entirely to the Final Answer team, with the score 10-100-120 and just two questions left.

However, after being silent for seven straight questions, Cornerstone put a stop to the amazing Cinci comeback by getting question 19—Gabrielle's second jump of the quiz resulted in a 40-point lead with one question left and ensured victory for the home team.
