Need-to-know for March 14 "Day of Champions." The March schedule is more than just a little bit different from the prior months of quizzing, so please review the following. Plan on staying all day. Bring snacks and there will be a lunch break when you can go out—there will be no concessions available at the church.

The address and map for **Bethany Baptist Church** in Clinton Township are on page 3. Quizmasters and quiz boxes are requested to be there by 7:45 a.m.

Please bring your quiz boxes. There will be more rooms in use than normal, so having some extra boxes available is important.

The opening meeting will start at 8:00 a.m. and the first quiz at 8:20 a.m. There will be seven to eight rounds of quizzing in the morning. After lunch, the playoff brackets will be announced. Little League Finals will be Worlds style—first team to win twice is the Champion. The day will be capped off with an awards ceremony, which will include the Champions and finalists, individual All Stars (top 25% for the season), Dream Team (top 4 quizzers on the day), Rookie of the Year and Most Improved Quizzer.

Finally, everyone going to the Chicago 2015 Tournament with DBQ needs to confirm that and make payment (in person to Cindy Hatfield) before heading home.

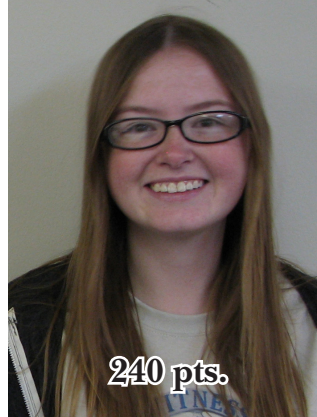

Remember, to go to Chicago as a quizzier on a DBQ team, you need a 20-point average if you're a veteran quizzier and a 10-point average if you are a rookie. You also cannot have missed more than one day of quizzing throughout the season and must be present for the March quizzes. Your final average is determined after the preliminary quizzes in the Day of Champions Tournament. So there are 6 more quizzes to get your average where you want or need it to be. ★

Tidbits

Honorable Mention. Three frozen chairs without error in a day of quizzing equals 210 points. When quizzers get that many points or more and yet don't make Quizzer of the Month, they deserve some recognition. In February, the following Varsity quizzers met that criterion:

Grant Mayer	210
Gloria Mayer	210

Rookie Watch. A great part of quizzing is to see which rookies start off strong and which are able to catch on later and make a run for the top spot. In Little League, **Patrick King** again posted the best rookie numbers on the day. In Varsity, **Ron Mahan** and **Zander Cox** are running neck and neck, both having pulled down 80 points on the day. Make a point to encourage the rookies.

Congratulations, Seth Leidy. Quizmaster Seth Leidy and his wife Andrea are the proud parents of Lucas Alexander Wolf Leidy, born a half hour before midnight on Tuesday, February 17.

Varsity Quiz Highlights

LP No Other Name-80, True Worship Church 1-0, CEPC Greatly Annoyed-110

Lake Pointe scored first, on an effort by **Caleb Yonker**. Cornerstone then charged into the lead with two scores by **Gabrielle Baut** and one by rookie **Ron Mahan**. A correct answer by **Sophia Fike** pulled Lake Pointe within one score. Errors and an attempt occupied the next four questions until 13A, when **Melody Mayer** scored for a team bonus that put Lake Pointe back in the lead, by 10. **Andrew Hubbard** took 14 for a team bonus to vault Cornerstone back in the lead, by 20. Melody's second jump tied it back up as regulation ended. On the tie breaker, Caleb took his third error, but Cornerstone was unable to capitalize on the freebie. However, on 17, Ron got the jump and the answer to win it for Cornerstone.

LP Get Up Quickly-110, Cut to the ♥-70, MCC Bloody Moon-20

Heart got the early lead on two scores from **Michael Pappas**. Lake Pointe took over the lead on three scores by **Grant Mayer** to freeze without error. Michael then tied it up at 70 as he also froze without error. Lake Pointe got the lead back for good when **Julia Mayer** scored. Rookie **Zander Cox** put Meadowbrook on the board on question 14. Heart needed the last question to tie, but Julia was up to the task of getting the jump and sealing the win for LP.

CMC Understand the Utterances-70, ♥ Pangs of Death-90, CMC Gushed Out-0

Heart's **Jessica Matthews** got this quiz started with two quick scores on questions 1 and 2. Calvary Missionary's **Danielle Leidy** scored to put Understand the Utterances on the board. Jessica then got her third jump to freeze without error and extend Heart's lead. Danielle got her second jump to again pull Understand within one score. But back in on a toss-up, Jessica scored again to give Heart a 50-point lead with two questions left. Understand called a time-out to contemplate the need to take the last two questions with a bonus. It wasn't to be, but Danielle did close out the quiz with a frozen chair without error.

CMC Understand the Utterances

MCC Bloody Moon-20, LP No Other Name-90, LP O The Awful Us-30

Lake Pointe's **Sophia Fike** grabbed the lead for No Other Name on question 1. Rookie **Zander Cox** tied it up for Meadowbrook. But Name took the lead for good as **Melody Mayer** and **Caleb Yonker** scored on consecutive questions for a team bonus. Caleb scored again to push the lead out to 70. **Gloria Mayer** scored two in a row to vault O The Awful Us into second place with two questions left. The battle was on for second place. Meadowbrook took an error on 14, but 14A was passed so second was still up for grabs on the last question. Gloria lost 10 points with an error on 15 but just held on to second place when Melody got the toss-up to end the quiz. 🌟

Errors often open a door of opportunity for other teams, but in this quiz there was equal-opportunity erring that kept the score down. **Carmen Yonker** scored on questions 2 and 3 to give Lake Pointe a lead that it never relinquished. **Owen Parker** scored for Meadowbrook on question 5, and the score sat at 40–0–20 until question 11. At that time, Lake Pointe again scored two in a row, one by Carmen to freeze and one by **Nathan Mayer** to take a commanding 60-point lead. Owen got his second score on question 14. With 40 points separating each of the teams, all placings were decided at that point. But the quiz had to end on a correct question, which didn't happen on 15, 15A or 15B, and both LP and MCC saw 10-point deductions from their scores. However, on 16, Owen came through for his third score to freeze and keep himself in the hunt for another Quizzer of the Month award.

Little League quizzing

MCC Dark Sun–90, LP Kingdom of God–60, Blood, Fire & Vapor–70

Meadowbrook's **Owen Parker** was back on form in this quiz, taking question 1. **Alissa Dorie** immediately tied it up for the community team. Owen got the next two scores to freeze without error for a bonus. But scores by the community team on three consecutive questions tied it up again as Alissa got another 20 sandwiched between a freebie and a 20 by **Deven Dorie**. After calling a timeout, apparently to discuss the need to get all four remaining questions, Lake Pointe got on the board with 20 from **Nathan Mayer**. However, rookie **Curtis Parker** got question 13 to put Meadowbrook back in the lead. Now LP was relegated to hunting second place and they almost pulled it off as Nathan got question 14 and **Carmen Yonker** 15. 🌟
