**Welcome to Summit Academy.** Due to scheduling difficulties in Ohio, the Summit Academy quiz team drove five hours to join DBQ for the October quiz day and will do so again for the November quiz day. So once again, each team will quiz four times, one including the Ohio team. That fourth quiz does not count for the league team record and individual stats.

**November 9 Quiz Reminders.** A map for **St. Paul Lutheran Church and School** in Northville is on page 3. There may be snacks set out, but there will not be lunch concessions, so plan your lunch accordingly.

The opening meeting will start at 12:00 noon. There will be a "quizmaster's choice" raffle drawing to award prizes to the quizzers who were selected.

Please bring your quiz boxes and pads.

**Team Photos.** At practice this last week before the quiz, take a fun team photo that shows your team identity or spirit and email it to [pdpaternoster@sbcglobal.net](mailto:pdpaternoster@sbcglobal.net)

For those of you who were missing a teammate or did not have your uniforms at the October competition, you can get your individual picture retaken in November.

**Tournament Watch.** Here are three tournaments this season to know about. The first two are local. The third is the biggy—Chicago.

**(1) Great Lakes.** Everyone is encouraged to register for this WBQA tournament held on November 16 in Wayne, MI. Use WBQA's web site to register by Thursday, November 7. The team fee is \$40; send your check to Mona Blair per the web site instructions.

**(2) All Timers.** This tournament is unique—everyone is welcome to quiz, regardless of age or quizzing experience, and it is free.

**(3) Chicago.** For this Tournament, qualified quizzers go on DBQ teams. There are two qualification requirements: (1) quiz average and (2) attendance. One, a quizzers' average by the end of the season needs to be 20 for veterans and 10 for rookies. In a 21-quiz season, that means 420 points for veterans and 210 points for rookies. Two, a quizzers can miss no more than one day of quizzing from October through February and must be present for the March Day of Champions Tournament.

**Promotion.** There are many new faces this season, and for each one there is someone to thank for getting them involved in Bible quizzing. Let's keep up the good work of promoting quizzing throughout this season. See what you can do to get family, friends, acquaintances involved now. Get them to one of your practices or to a monthly quiz. Encourage, persuade or drag them (but be nice) into getting involved. ✪

# Tidbits

**Honorable Mention.** Once frozen, there is no guarantee that a quizzer will have an opportunity to jump and score again. Three frozen chairs without error in a day of quizzing equals 210 points. When quizzers get that many points or more and yet don't make Quizzer of the Month, they deserve some recognition. In October, four quizzers attained this distinction:

<b>Kaleb Caron-Martin</b>	270
<b>Owen Parker</b>	260
<b>Katie Baugh</b>	260
<b>Sophia Fike</b>	250

**Rookie Watch.** A great part of quizzing is to see which rookies start off strong and which are able to catch on later and make a run for the top spot. In October four of the six registered rookies were present and all got to their feet in one or more quizzes. DBQ recognizes effort, so errors count in favor of those yet to score. With three in her first day of quizzing, fearless **Anna Grinnell** of CrossPoint started her quizzing career at the head of the rookie pack. Make a point to encourage the rookies.

## STEERING COMMITTEE

The DBQ Steering Committee will be meeting at 8:00 p.m. on November 10, 2019 by telephone conference. Participating churches and organizations are welcome to have a representative join in.

## October Quiz Highlights

### Marimont RefreshUrMemory-90 ♥ Double-Edged Sword-70 SPN You Need Milk-30

St. Paul was first on the board as **Jack Smith** scored on question 1. Marimont promptly took the lead as **Katie Baugh** scored two in a row. Then Heart took over the lead as **Kaleb Caron-Martin** got the next three scores to freeze his chair. Katie promptly tied it up with her third to freeze. On question 13, Jack got his second score to pull within 20 of the front runners. Trying hard to catch up, St. Paul came up short on question 14, and Kaleb won the toss-up. St. Paul erred again on 15, and Katie won the toss-up to end regulation and send the quiz into overtime for a tie-breaker. A Heart error let Katie back in to win the freebie and the quiz.

### ♥ Bodies are Burned-0 CP Stranger and Exiles-40 LP Belong to a Diff. Tribe-120

Quizzer of the Month **Cordelia Fike** scored on questions 2, 3 and 4 to freeze without error and post Lake Pointe to a 70-point lead. The other two teams found the going difficult and each had two errors, and Cordelia capitalized on two of them to bump her total to 110. Then **Destiny Lloyd** scored to put CrossPoint on the board. Trying to avoid third place, Heart erred and Cordelia scored again for 130 in the quiz. A Lake Pointe error on 15 cost it 10 points, and the toss-up was do-or-die for Heart trying for second place, but Destiny got the jump and the answer to lock up second and end the quiz.

### LP Preprd 2 Give a Defense-100 LP Belong to a Diff. Tribe-90 Marimont RefreshUrMemory-70

**Cordelia Fike** of a Diff. Tribe scored on questions 2, 4 and 7 to freeze without error but was shadowed by Marimont's **Katie Baugh** scoring on 5, 6 and 8 to also freeze without error. Showing she was Preprd, **Sophia Fike** then scored on 9, 10 and 12 to freeze with error, so the score was 60-70-70 with 3 questions to go. In on a toss-up on 13A, Cordelia bumped her total to 90. In on a toss-up on 14A, Sophia bumped her total to 80. On 15, it was anyone's quiz still, but **Erin Yonker** got the jump and the answer to give LP Preprd the come-from-behind win.

### CP Strangers and Exiles-0 SPN You Need Milk-80 ♥ God the Builder-170

St. Paul was first on the board as **Jack Smith** scored on question 1. The next four were all Heart, as **Curtis Parker** scored one followed by three in a row for **Owen Parker**. Jack came right back with 2 in a row to cut Heart's lead to 20. Then **Sam Hatfield** scored for a third-person Heart bonus, Owen scored on a toss-up, and Heart had pushed its lead back to 70. In on a question 12 toss-up, Jack cut the lead to 50, but Curtis scored again on 13 to all but lock up the win. With all three places established, the quizzers relaxed a bit and from 14 through 16 there were 5 errors and 2 attempts. On 16A, Owen brought the quiz to a close. A take-home lesson from this quiz is the value of the third-person bonus: the 2 Olympic bonus points it gave Heart made all the difference at the top of the team standings. 🌟
