# SUNDAY MORNING ADULT CLASSES 9:30 AM & 11:00 AM

## Life Long Journey

9:30 AM - Begins Sunday, April 13<sup>TH</sup>

Teacher: Gary Edgar

*Life Long Journey* is study that shows you how to align your life with God's ongoing work in this world, in our community, and in our unique lives. Three reflective questions will be introduced: Who is God? Who am I? What does God desire to do through me?

The study will explore themes of discipleship, discovery, and growing up in Jesus. Particular attention will be paid to the book of Ephesians. The goal of the class is to listen and respond to the exhortation, "... no longer be children...but grow up in every way into him, into Christ..." (Ephesians 4:14-16). What does it mean for us today to grow up into Christ-maturity? And for each of us, what are next steps in paying attention to and aligning our unique lives with God's good and gracious work in the world today?
