

Small Groups Preview for 2007-2008

There's nothing like being involved in a Small Group at Fellowship Chapel. More than any other ministry that Fellowship offers, Small Groups give participants the chance to build vital relationships with other people of like mind, experience, and interests. It brings people together for fun, food, friendship, fellowship, and fantastic teaching.

We encourage you to consider joining a Small Group, not out of obligation, but out of a desire to grow in your relationship with the Lord and others. Take some time to look through this flyer and pick the group you'll be involved in for this year.
